Hi quoq; quia potis credere nolle foret
Ptq; vno fitrema ven' sit yta puelle
Ne male dissimilat teratus illa caput
Coniemat maritib' ne qm nos ain regemus
Femina iam pteo victa vtyanius ager
Mollib' in prutis adiungit femina thauro
Femina corrmpedi semp adhinit equa
Pazcor in nobis nec ta fluxa libido est
Leguta'n' fine flamma vnalis hr
Biblida quid referam vetito qr fiat amore
Arsit i lacq fortit vlia nephas
Vnora prem sed no quo filia debet amari
Et nitc obducto cortice pressa latet
Illius eacimo qo arbor fundit odora
Pugum i domie nota yiutta tenet
Lorde sub vmbrosis nemorose nullib' mdi
