Ethos ethereifer sanctos vndiq; secuet
Nocium almis regnia impluat angelis,
Ethereifer fragilem foueat clemencia plebem;
Almis montibꝰ et virgo Maria tuuet,
Sanctos xpi mortales protegat omnes,
Regina astroꝝ dextra tuuere malos
Vndiq; nos assuet patris de potenti.
Impluat angelis virgo beata suis,
Secuet tutipotens auas ac duxat ad astra
Angelis miseros animat alma polos.

Amen.
