Item sed dissolve ni crasso
et obviso transpirare.

Ergo ora q putrescat et gli,
bris in transpirat gravior obst,
sic sorti ursa q malus tal odore
reddit q putrid e id obtinet.

Hanc opin: Galfermal 11 metr.

Ergo dij putredo fit vitiato
calore obstructa transpiratione

Theoris des excepti
igne putrefactio
fiunt.

An urg sic putrefactio
modo
