82) De tempore vitæ et obitus B. Juliane Hensfeniens ad diem V Aprilis: Homis hac sanctissima Virgo Juliana seu Christi decimo tertio, nata civis Leodiensis anno Christi MCXCIII, uti ex serie totius vitæ mox constabit. Cum dein annos quinque ætatis haberet, ut lib. 1 (vita ab Auctore coævo conscripta) num. 2. indicatur, in domum Montis-Cornelii adducta, in consortio sanctimonialium piè educata, inter eas postmodum habitum monasticum --- suscepit. Circa annum ætatis XII, Christi MCCVIII vidit primum signum in luna, ac biennio post intelligit divinitus festum Corporis Christi in Eulesia sancienda: sed annis viginti refugit divinum de novo illo festo decretum denuntiare. Interim in Priorissam domus Corneliana electa, incipit circa annum ~~ts~~ MCCXXX arcanum ad se de cælo delatum, de instituendo festo Corporis Christi aperire; et annis insequentis consulere sapientes, inter quos fuit Guiardus Episcopus Cameracensis, ad eam Cathedram promotus anno MCCXXXVIII. Ea omnia indicantur lib. 2 nn. 6, 7 et 8. Anno MCCXL B. Juliana, ob diutinam habitationem, discessit in urbem ad recluseam Evae, et ad ædes Canonici S. Martini Joannis de Lausenna; sed post tres menses restituta est per sententiam et auctoritatem Episcopi Roberti. --- Anno MCCXLVI Robertus Episcopus in Synodo diœcesana festum (Corporis Christi) decevit. -- Anno sequenti MCCXLVII, Canonici S. Martini omnium primi celebrant festum Corporis Christi; Feria quinta post Dominicam sanctissimæ Trinitatis: proutillud ibidem quoque anno MCCLII celebravit Virgo, et tam ipse, quam biennio post Petrus Capocius Cardinales ambo et Legati, suis diplomatis confirmarunt, uti traditur lib. 3 n. 13 et sequentibus. Interim B. Juliana, relicto Monte Corneliano, ob intestina et Leodiensium, et Montis-Cornelii dissidia discessit ad monasteria Cisterciensium Sanctimonialium Montem Roberti, et Vallem Benedictam prope Leodium, et Vallem Beatæ Mariæ prope Huyum. Sed coacta ex iis migrare, abiit Namurcum, degitque primum apud Beghinas in magna paupertate, dein in domo Archidiaconi Leodiensis, unde in Abbatiam Salsinniensem sanctimonialium etiam Cisterciensium migravit, uti datur nn. 31 et sequentibus. Domum circa annum MCCLVI coacta Salsinnia cedere, migravit Fossas; ubi post vitam in omni virtutum genere exactam, obdormivit in domino anno gratiæ MCCLVIII, ætatis suæ LXVI, Nonis Aprilis feria sexta post Octavam Paschatis, quod dicto anno celebratum est die XXIV Martii, cyclo Lunæ V, Solis VII, littera Dominicali F.
