INCIPIT PROLOGVS DE VITA SCI ALI.

NISI. ME SCE ARVOS auctoritas scripturarū. & p̄cipue illa ueridici pphete sententia. qua sacrificio obedientia p̄ferat: ad necessitatē obediendi cōstringeret. p̄cepas uīs ocūssimi patres apologie hui modi genus opponerē. Si pphetā qui ante quā formaret in utero audiuo electus ē. & p̄us quā exiret de uentre sc̄ificatus est. Dū eū dīns spū sc̄o illustrans uerbi officio manciparet. & etatis infirmitate & ignorancia conquestus ē. quid ego peccator acturus sū. qui iniquitate cōceptus. & in delicto p̄fusus. p̄p̄ sordes ute in circūcisus sum corde & auribꝰ. quia udelicet nec sciencia digne p̄cipio. nec audita de uoce conseruo. Quom iusticias diu enarrabo & assumā testamtū ei⁹ pos meū. cui⁹ etatē. nec tempus adhuc impleuit nec
