Tarrus.

Hēpe hoc ridiculū uulgus natalib; horis.
Totū hominē & calidos de matre amplectim
Vimq; potestatū p mēbra recentis alumni
Spargim⁹ rudib⁹ dnamur in ossibs oms.
Quis loc⁹ in nra sede tē uobis sede dabatur
Congentas cū regna simul ortionib; equo
Robore crescebant natu nā luce sub una
Et dom⁹ dñi parib; adoleuim⁹ annis.
Cūq; plasma nouū de cepto paradysi
Limite pgredims amplū transfugit in orbē
Pellitosq; habit⁹ supstit uenerabilis adam
Hudus adhuc nimia foret pcepta secutus.
Quis nā iste ignotus hosti nē surgit aboris
Importun⁹ imers infelix degener amens
Qui s tā serū ius uendicat hactenꝰ exul
Himirū uacuę credent friuola fame
Quę miseros optare iubent q̄ndoq; futuri
Spē fortasse boni leta ut solatia mollem
Desidiā pigro rerū meditamine palpent
Q̄d nī illo spē palpet imers q̄s puluere i isto
Tyrones bellona truci n̄ exercet gre
Inbellesq; animos uirt⁹ tepefacta resolut
An ne pudicitię gelidū iecur utile bello ē
An teneru pietatis ops sudat in armis
Quā pudet omauors uirt⁹ conscia talem
Contra stare acie ferroq; lacessere nugas
Et cū uirgineis dextra conferre choreis
Iusticia ē ubi semp egens paup honestas
Arida sobrietas albo ieiunia uultu uulni
Sanguine uix tenui pudor intfusus apta
Simplicitā zadomē patet sine tegmine
Et pstrata inhumū nec libera iudice sese
Mens humilis quā degenere trepidatio pdit
Faxo ego sub pedib; stipulaꝝ more terat
Inualida ista man⁹ neq; cui pfringere duris
Dignam gladius algenta & sanguine ferrū
Imbuere fragilq; uiros fedare triūpho
Talia uociferans rapidū calcaribus urget
Cornipedē laxisq; uolat temeraria freni
Hostē humilē cupiens impulsu umbonis equini
Sternere deiectāq; sup calcare ruinam
Sed cadit i fouea pceps quā callida forte
Fraus intecto suffoderat equore furtim
Fraus detestandis uirtutiꝝ epestibus una
Fallendi uersuta opifex q̄ pscia belli
Plantis serobib; uiolauerat insidiosis
Hostili de parte latens ut fossa ruentes
Exciperet cuneos atq; agmina mersa uoraret
Ac ne fallacē puteū deprendere posset
Cauta acies uirgis adoptas texerat oras
Et sup imposito simularat cespite cāpum
At regina humilis quā uis ignara manebat
Vlteriore loco nec adhuc ad fraudis optū
Venerat aut fouę calcarat furta maligne
Hunc eques ulla dolū dū fert pperi cursu
Incidit cecid subito patefecit hiatu
Lna ruentis equi ceruice inuoluit ac sub
Pectoris inpssu fracta int crura rotat
Et uirt⁹ placidi moderamini ut leuitate
Aspicit obtrita monstri sub morte iacentis
Intendit gressu mediocrit os q̄q; parce
Crigit comi moderat gaudia uultu
Cunctanta spes fida comes succurrit offert
Victorē gladiū laudisq; inspirat amorē
