Ingressu fortj prudent applicat aurrus
Sicut aurrus aurrū sequat alter dempsq
Bini post hastrini lineales numerū supplent
Donec tu opleueris ad exercitus qualitatem
In medio quorū equestres sese sustentant
Omnt et pedestres scindentes acies grandes
Quasi duorū mens est usus nō aliorum

Nota q̄ p̄ tale modū optime potis diuidē exercitum
cū aurribus sic in campo iunctis plano et in medio
eorū subsequatur omes equestres et pedestres et millis
aurribus debent esse pixides et balistarij mon et alij
