Felix curi[a] presentem
Regem cernit animo
Et sub sedi spectat alta
orbis volui Machinam
Solem lunam et globos
Cum planetis sydera.
Christe palma bellatorum
Cor in municipium
introire me post solutum
militare cingulum
fac consortem donativi
beatorum civium
Precibe vires inexhausto
Laboranti proelio
Ut quietem post finitam
Orbeas emerito
Tecum merear potiri te
Sine fine premio. Amen

D. Augustin. in Hymno de gloria paradisi.

Non vox sed votum non musica corde sed cor.
Non clamans sed amans, clamat in aure dei.
