sermonem.
Astatur ardens ma
lum abscondit sē.
par uoli transeun
ter sustinuerē dis
pendia. Tolle uer
timentiū qui
rsponderit pgetis
neo expalescit au
ferrei pignus.
Qui benedicit proxi
mo suo uocegrande
de nocte consurgens
maledicenti similis
erit.
Tecta pstillantia indie
frigoris & litigiosa
mulier comparant.
Qui retinere eam quasi
qui uentū teneat &
oleum dextere sue
uocabit.
Ferrū ferro acuitur
& homo gacuit faciē
amici sui; qui seruat
ficum comedit fruc
tum eius. & qui cus
tos sē domini sui
glorificabitur.
Quomodo in aquis res
plendent uultus pspi
cientiū sic corda
hominum manifes
ta sunt prudentib;
Infernus & perditio
nō replentur. similit
& oculi hominum
insatiabiles.
Quomodo pbatur in
conflatorio argentū
& in fornace aurū
sic pbatur homo ore
laudantis.
Si contuderis stultū
in pila quasi tisanar
fermentē de suppilo
non auferetur abeo
stultitia eius.
