Audita magis quā uisa discribent; Ioh
annis ultimus apostolus & euangelista
quē ihs amauit plurimū quiruppe tur
dnm recumbens purissima doctrina
rum fluenta potauit, & quirolus
de cruce meruit audire ecce mat tua
circumeunte & inasia & iam tunc hereticorū
semina pullularent, Cerinthi ebionis &
ceterorū qui negant xpm incarne uenisse,
Quor & ipse in epistula sua antichristar
uocat & apostolus frequenter cutit
coactus ab omnib; pene tunc asiae epis
& multarū ecclesiarū legationib; de di
uinitate saluatoris altius discribere,
& adipsum ut ita dicā dei uerbū non tam
audaci quā felici temeritate prūpere;
Vnde & ecclesiastica narrat historia
cum a fratrib; cogeret ut discribe
ret & ita faciturū se responderit. Tri in
dicto ieiunio in commune omn dnm
precarentur, Quo cpleto reuela
tione saturatur in illud poeomiū ecce
lo uenit & fuctauit,
