Hora nona dominus Jesus expiravit
Heloi clamans aiam pri cōmendavit
Latus eius lancea miles perforavit
Terra tunc contremuit et sol obscuravit

De cruce deponitur hora vespertina
Fortitudo latuit in mente divina
Talem mortem subiit vite medicina
Heu corona glorie iacuit supina

Hora completorij datur sepulture
Corpus christe nobile spes vite future
Condit̄ur ac ornate cōplentur scripture
Fugi sit memoria mors hec mihi cure
