Hęc unquam, qui habent recta iura, uiros fames comitat
Hęc calamitas. in conuiuijs uero curatis opibg fruunt
His fert quidem terra multum fructum. in montibg uero qrcg
Summa quidem fert glandes, media uero apes
Tonsiles uero oues' uellericg grauant
Pariunt uero uxores similes liberos parentibg
Florent uero bonis omnino hęc in nauibg
Eunt & redeunt, fructum uero fert donans speltam arvum
Quibg uero contumelia cura est mala et impia opera
Illis uero pœnam Saturnig eligit late circumspiciens Iuppiter
Sæpe & tum uersa ciuitas mali uiri luit si peccatum
Qui peccat & furiosa machinat
His uero celitg magnum adduxit malum Saturnig
famem simul & pestem, pereunt uero populi
Hęc mulieres pariunt, minuunt uero domg
Iouis consilijs Olympij. alias uero rursg
Aut bonę exercitum amplum perdidit aut hic murum
Aut naues in mari Saturnig punit ipsor
O reges uos uero considerate & ipsi
Hanc iustitiam, prope enim inter homines existentes
Immortales uident, quicunq; obliquis legibg
Se inuicem conficiunt, deor reuerentiam non curantes
Tribies mille enim sunt super terram multorum altricem
