Vicinior ghnúla
In nidus est repertus,
In quó suos pullos habet
Hermetis ales amœnos.
Vnus volatu tollitur
Manet eadem alter,
Alterq; fruitur alterum,
Amus fouet supremum,
Nido simul morent, quamo
Vt coniuges in una
Conuiuali fœdere
Arctissime ligati
Testantur inde gaudium
Omni die lucy.
Hai feminam quod alitem
Tenemus arte captam
Ergo Deum, rerum patrem
Vt hoc beet, precamur.
