Et pro corona Fructuum
Datur corona Gloriæ.
Per te, Maria, desuper
Fundatur unda Gratiæ,
Ut nostra possint pristinos
Deserta fructus promere.
Da, Christe nobis, quæsumus,
Patris sequi vestigia;
Laboris ut participes
Pari fruamur gloria. Amen.
Ad Laudes Hymnus.
Summæ Deus clementiæ
Infunde lumen cordibus,
Ut Stephani præconia
Puris canamus mentibus.
Tegena spernens gaudia
Suos parentes deseris,
Et Veritati conseveras,
Quod vanitati subtrahis.
Exeptus e periculis
Quibus repletus seculum
Deserta quæris protinus,
Jugumque Christi suscipis.
Procedit inde fervidus,
Intrat nemus Cisterciæ,
Sicque pastor providus
Gregis crementa respicit.
Aci membra pœnis conterens,
Mentem regulet dulcedine,
Legemque servat arctius,
Sacris statuta conficit.
Arcana cordis detegit,
Astat Choro psallentium,
Et audet inter Angelos
Quetans e morris cantica.
Nesciit laborem Caritas,
Fides famem non metuit;
