Spectatem specta vidua mollia rude
Immet accepeas tu quoq; velle meos
Aut vbi pluvit vultibus puer ille velicet
Spicula de pharetra primit acuta sua
Dom⁹ et mestas temessam diligit aras
Nos hylarem plm femia leta caput
Hugrin ego andromathe no te temessa vocare
Et mea & vobis altra amica foret
Credere pro vidor ai p te credere cogor
Nos ego ai vias concubuisse mas
Talia, anna mihi mestissima dicit
Luo mea qq; solent verba mouere mouo
Dō uetat a rebus magnis exeplis moueo
Dumē nec nomen primuisse duas
Aup bonus hinc dei comisit uire regendo
Hinc equites illi signa tuenda dedit
Hoc; de nob qui dign erit aptus ad vsum
