Vrna ret̄ sedens cū fert uestigia cād̄
Hispida saxoms tyga reclsit aquis
Hunc gremiū facili cupiens p̄cedē gressu
Talibus alloquims p̄mo mussē datur
Ne ū tuis cursa placeant hec de via nate
Tutus in obliquos ne uelis ire pedes
Sz grassu contempto ferens uestigia tua
In hoc quos p̄uo tramite siste pedes
Cum natus sciam si me p̄cessēris aquit
Sequq̄ mentem certior ipe sequar
Nam stultū mens est tū tu tumidissima
Altius censor vt vicosa notes // tempnes
mmitis boreas placidusq̄ ad ethēa phe
Jurgia tū magno conserue ioue // bus
Quis p̄or maptū pgat medusq̄ p orbē
Corpebat solitū forte viator iter
Comeuit haut procul lica pfugē eam
Pallea mudato desticienda uno
Ptus impulsus uentis truto nat iter
Et gelida micas mpulsit imber aq̄s
Ille magis duplicē latere ēcūdat amictū
Turpida sbmoty quā thus aura suos
Sz teneb tadios paulati cresce phebus
Inserat a nimo cresce igne ubar
Donec lassa uolens q̄escere sb viator
Deposita sessus ueste recedit humi
Tunc victor docuit p̄ncia lina tyran
Nullū p̄mis vnce possū mimis
