Spelunca tepuit qua truc ursuty hẽbat
Limfa ductor qui gregis esse solet
Hunc ubi subimssa meditantez cupẽ frote
Obuius obliq; ruit ore caper
Tristis abit longaq; fugax de ualle lotuty
Non timor expulsus nigra fere uetat
Non te dumosi fetosi pude barbi
Illum qui sup est consequit3 timor
Namsi discedat nostis stultissie quatu
Discrepat a thauri vibi hurty oleus
Dum cupis illatu tibimet ꝑsolue dapm
Absq; tuo dampno hocq; caueto fore
Vpiter in toto quondi quesiat orbe
Munera datori quis melioa daret
Certatim ad regem erat genus omne feraz
Punctumq; hoi cogit2 ire petus
Et nec seuanigei desint ad nigra pisces
Vel q̃ap volucru pulor auia negat
Inẽquos trepide ducebat pignoa mites
Iudicio tanti discruenda dei
Time bremis informe thet simea natu
Ipm A in risum compulit ire uirem
Cum genitꝝ crines sic oboleꝰ cupit
Iupiter hꝰ nomi moeat mutoia sicp
Hec tu alb crumpit turpissima uoce
Iudicio sup est omib iste meo
Sic morb e homib q̃ap sl' fecit ipe
